BELIEFS AND VAULES

BRAMHALL HIGH SCHOOL

Aim:

To support the academic progress of students.

Types of regular homework:

- Spelling tests
- Multiple choice quizzes
- Research
- Revision for tests.

Marking and feedback:

1. Spelling tests and multiple choice quizzes will be completed online and will be immediately marked.
2. All tests will be marked and a score given. Students will then improve these in green pen the following lesson as part of the CPR review process.
3. Revision homework will not be marked, but the expectation is that students create their own revision resources as evidence of this. Students should not be simply reading notes. Research proves that student retention is highest when they directly engage with the information i.e. create flashcards, mind maps, revision posters etc.
4. Research tasks will be checked for completion and feedback provided on how to improve. These will not be graded pieces.
