HOMEWORK

MFL KS4

BRAMHALL HIGH SCHOOL

Aim:
To support the academic progress of students studying German, Spanish and French at GCSE.
The principal aim of homework at KS4 in MFL is to develop a sound knowledge of vocabulary for their listening and reading exams, and to prepare students for their writing and speaking exams by learning model answers.

Types of regular homework at KS4:
1. Using Quizlet and Vocabulary booklets, learn 30 (Foundation) or 50 (Higher) or more items of vocabulary a week ready for a test each Monday.
2. Learn the paragraphs contained in the Green Book (speaking and writing answers).

Marking and feedback:
1. Vocabulary tests are marked straight away and scores are recorded.
2. Regular monitoring of the Green Book answers is done.

Monitoring:
- If students fall below the expected standard for any of the above, they will be expected to attend compulsory catch up sessions and will be subject to the school's behaviour policy for homework.
- Students who go above and beyond the expected standard will be recognised and rewarded.

Recommended wider reading in addition to the above:
- KS3 and KS4 Vocab Booklets (provided by school) – these are an invaluable resource. They have all the items of vocabulary that the students will require and key information regarding language structures.
