

Please see below the Careers Programme for Bramhall High School. Our three-year trend for securing Post 16 provision is 100 % and 99% after one year. We would be grateful if any parent / carer feels that they could support our programme in any capacity to contact Nikki Joykson, Senior Deputy Headteacher on nioynson@bramhallhigh.stockport.sch.uk or Ext 141.

We work in partnership with Enterprise Co-coordinator for Manchester Combined Authority and Growth Company
