**BRAMHALL**  
HIGH SCHOOL

Dear Parents/Carers

Firstly, it is a huge thank you for your understanding, patience and support during this difficult time. I am so proud at how the school community has risen to this challenge. The KS4 students who have attended this week have been fantastic, keeping to the correct areas and following the protocols we have to put into place. We look forward to seeing our KS3 students next week. The schedule for attendance is given below alongside some other key information regarding the specific arrangements for remote learning, PE, extra-curricular and our adapted onsite provision for food.

The LEA have continued to support the school on all fronts and have begun work on measures which will allow us to get more students on site. This work has started in the canteen area fitting a temporary kitchen. Further work will be undertaken over the forthcoming weeks and I will update parents & carers again, early next week with our future plans and timescales.

### Teaching and Learning

Alongside the Year 10 and 11 students who continue to be on site, we look forward to welcoming the other year groups following the plan in the timetable below.

Date	KS3 Year group attending
Monday 20 <sup>th</sup> November	Year 8
Tuesday 21 <sup>st</sup> November	Year 7
Wednesday 22 <sup>nd</sup> November	Year 9
Thursday 23 <sup>rd</sup> November	Year 8
Friday 24 <sup>th</sup> November	Year 7

When students are on days where they are working remotely for next week they will continue to access the MS Stream videos recorded by staff and complete the work set on Class Charts. Students should continue to follow their normal timetable at home and they will have the equivalent of five hours' worth of work provided.

Looking ahead to Monday 27<sup>th</sup>, any remote lessons will take place on Microsoft Teams instead. This will allow us to record a formal register for students to raise questions and for staff to provide feedback. We will send further communication out next week with the timetable for students being on site from the 27<sup>th</sup> onwards and guidance on student expectations whilst working on Teams.

### Monday 20<sup>th</sup> – Friday 24<sup>th</sup> November 23

- All students will arrive to school and enter the school via the Student Entrance.
- Any form room changes will be displayed in the Student Entrance on arrival.
- During the students first form time of the week, form tutors will present information regarding the impact of RAAC at Bramhall High School; changes to the daily routine; catering provision and the support on offer.

**PE**

A reminder that you are only allowed to wear your PE kit to school if you have PE on your timetable that day. Thank you to the Yr10 who all looked very smart in their correct PE kit this week. As the changing rooms are currently out of action, your form tutor will inform you of the classroom where you are expected to meet your PE teacher.

**PE Kit:** All students must wear their red PE top underneath a plain hoody/sweatshirt which is either grey, black or navy. Black leggings or track suit bottoms and a change of trainers including socks. During lessons, students are allowed to also wear their own water proof jacket or school coat (if it is suitable for physical activity). Waterproof jackets are available to borrow from us.

**Extra-curricular after school**

Mrs Dodd will continue to send out all information via Class Charts so please ensure that you read this. We will be offering as much extracurricular as possible. You are most welcome to attend all extracurricular activities when you are in school for your face to face lessons. Students will be required to meet the PE staff in PE 1 after school where you will be able to change into your PE kit. All team sheets are going to be put onto the girls changing room door and also Class Charts.

Please do not hesitate to contact the school if you require any support or further guidance on any of these points. I do hope everyone has a restful weekend.

Take care
