

25 July 2022

Dear Parent and Carers

It is with regret, that due to the rising food costs, we will need to increase our meal price from September. We have always tried to keep our meal prices affordable to our families. We have calculated that our food costs have increased by over 30%.

So, to ensure we are able to offer the same service of food we are having to increase the price of food by approximately 20%. We have worked hard to ensure that any price increase is kept to a minimum through staffing and other efficiencies. This price increase is the first since 2019 and we believe the menu remains excellent value for money.

Those students on free school meals will see a proportionate increase in their allocation.

We will review the situation again during the summer term 2023.

Yours sincerely

Paul Williams
Headteacher
