2 September 2022

Dear Parents/Carers

I hope you and your families have had a good summer.

A huge congratulations to our students who received their GCSE and vocational results recently. Once again, we achieved excellent results well above the national and local averages. We are very proud of all our students and so pleased that their commitment, resilience and hard work through a very difficult two years paid off.

Currently at school, we are busy preparing for the return of our students in next week and we are looking forward to welcoming the students back.

Here is a reminder of the arrangements for the start of term:-

### **Start of Autumn Term 2022**

The term starts for all students on **Monday 5th September**. As in previous years there will be a staggered start with Year 7 starting at 8.45am. Our Years 8 to 11 students will start school at 10am. Normal lessons for all students will begin at 12.20pm after an extended tutor period and assembly.

May I also remind parents and carers that we return to one lunchtime in September. For the first few weeks Year 7 will have lunch earlier than the rest of the school. As a school we have invested a great deal of funds in revamping both the Refectory and Sandwich Room to facilitate extra seating as well as an improved queuing system across both rooms. In addition, we have improved the Dome area and in particular the seating in there to provide a substantive covered area for students to sit and eat in.

I am sure all of you have now sorted your child's uniform ready for the start of term. Nonetheless I thought it would be a good opportunity to remind you of our expectations around uniform and other equipment that students may bring to school.

We always want our students to make a **positive start** on their return to school. The uniform rules were relaxed in the final days of last term due to the high temperatures; however, full-school uniform (including blazers) will now be expected again from the first day of the school year.

### **Uniform**

Uniform plays a valuable role in contributing to the ethos of our school and setting an appropriate tone. It also gives students a sense of community and belonging. It is, therefore, important that students adhere to, and respect, our rules on school uniform. I sent the updated policy out to parents and carers at the end of the last academic year, but as a reminder the main points are below.
