## WELCOME

Our transition team has been working hard to improve the admissions experience for parents and carers. Most schools still use a traditional 'paper based' admissions form, which can be time-consuming to complete and is often prone to errors in data entry. We wanted to eradicate unnecessary paperwork and ensure the process is efficient, accurate, secure and most importantly, thorough enough to provide all of our new students with the platform to enable a smooth transition as they embark on their next chapter of learning here at Bramhall.

If you would like to receive our admissions correspondence via post, including a paper copy of our admissions form and other relevant documents, please contact the admissions team (email below) or call us on (0161 439 8045). Please note you will need to provide us with your full name, your child's full name, and the address to which you would like us to send any correspondence.

If you need any assistance with Admissions+ or help to fill in the admissions form, don't hesitate to get in touch with us.
