Dear Parents & Carers,

New FREE bus travel scheme for 11–16-year-olds

We have been asked by Transport for Greater Manchester (TfGM) to make families aware of the new **Our Pass 11–16**, which will provide free bus travel for eligible 11–16-year-olds living in Greater Manchester from **4 January 2027**.

Applications for the new scheme will open on **8 December 2026**.

If your child already has an IGO card, you do not need to reapply**.** Eligible IGO card holders will be able to continue using their existing card and will be contacted directly about the transition to the new scheme.

If your child does not currently have an IGO card, you will be able to apply for Our Pass 11–16 from 8 December. Please note that eligibility is based on the child living in the Greater Manchester area.

There is also no requirement for the school to stamp or validate applications under the new scheme.

Further information and application details are available on the Our Pass 11–16 webpage. TfGM will be providing schools with information leaflets, which we will distribute to pupils once received.

Kind regards,

Angela C A Norton
